Purchase of Land.

The following communication from E. L. Whittelsey, Solicitor of the Board of Trustees, is published as explanatory of certain purchases of land:—

Erie, Pa., June 4th, 1908.

Gen. Louis Wagner, Philadelphia, Pa.

Dear General:—Enclosed herewith I am sending you deeds to the Commonwealth of Pennsylvania for five pieces of land lying between the right of way of the Pennsylvania Railroad Company and the grounds of the Pennsylvania Soldiers & Sailors Home, which pieces of land have been purchased by me with proceeds of checks sent to me by you as Treasurer of the Pa. S. & S. Home, viz:

1. Mary King, Katharine K. King, Sarah W. King, Annie M. King, A. H. King, and Josiah H. King, heirs at law of Alfred

King, deceased, dated February 14, 1908, recorded in deed book No. 167, page 670, for which I paid $125.00.

2. Flora E. Shaw, dated March 3, 1908, recorded in Deed Book 168, page 695, for which I paid $70.00.

3. Harry L. Moore & wife, recorded in Deed Book No. 168, page 694, for which I paid $80.00.

4. Ann McCarty, dated March 3, 1908, recorded in Deed Book No. 168, page 696, for which I paid $75.00.

5. Matthew H. Taylor, Edward Mehl and Chas. H. Strong, Trustees of the will of William L. Scott, dec'd, dated Dec. 10, 1907, recorded in Deed Book No. 167, page 507, for which nothing was paid by me; the Trustees of the Scott Estate having kindly contributed the same, as heretofore reported.

In addition to the $125.00 purchase money paid the heirs of Alfred King, I also paid taxes that had accumulated on the lot, amounting to $25.40, which was included in the check for $35.45 sent me in your letter of April 10th. The remainder of the check, $10.50, being amount paid by me for recording the deeds which are enclosed.

Alfred King, who formerly owned the piece of land described in the deed from his heirs, above stated, was declared a bankrupt about 40 years ago, sometime in 1868, and the title of this piece of land no doubt passed to his assignee, who never took possession of it, or sold it; most likely not knowing anything about it. In order to perfect the title and divest any possible outstanding interest, I purchased the land for taxes assessed against it by the City of Erie, at a sale thereof made by the City Treasurer, and paid therefor the sum of $10.24, for which I have sent you a bill. I will send you the Treasurer's Deed for this later, when it is properly confirmed and recorded.

Yours truly,

(Signed) E. L. Whittelsey.

The deeds were subsequently filed in the office of the Auditor General of Pennsylvania.

Purchase of Motor Boat for Use of Home.

A motor boat was purchased from the Mathews Boat Company for $3670. The boat is forty-three feet long, ten foot beam, with 28 H. P. motor installed therein. This boat was purchased to replace boat belonging to the Home and lost during a storm on Lake Erie, December 20th, 1906. The members of the Home are allowed the use of the boat at such times as the Commander of the Home may direct or authorize, and is a means of enjoyment and pleasure.

Improvements made at Home.

During the period between June 1st, 1908 and August 31st, 1908, the following improvements were made:—

Repairing and moving of old Boat House.
Cleaning and pointing up of outside walls.
Taking down chimney stack above roof—west wing.
Painting walls, ceilings, &c., interior Main Building.
Relaying cement floor in basement and machine shop.

Fire escapes and fire door third floor infirmary.
Painting and additional work on Block House.
Extension of culvert.

Deed of City Treasurer of Erie to Commonwealth.

The Solicitor of the Board, for the purpose of protecting title to the Commonwealth, procured City Treasurer's Deed—Alfred King, "by A. S. Pinney City Treasurer of Erie, Pa., to Commonwealth of Pennsylvania," sold June 1st, 1908, as the property of Alfred King heirs 271/1000 part of an acre, for the sum of $4.66. Recorded in Treasurer's Book C, page 479. Recorded in Deed Book No. 170, page 448, in office of Recorder of Deeds of Erie County. The land is described as "being in the First Ward, in the city of Erie, Pennsylvania, and being two hundred and seventy-one, one thousandths of an acre of Garrison Gore Tract." The land is the same which has been heretofore conveyed to the Commonwealth, by Mary King *et al.,* heirs of Alfred King. The purchase was made at tax sale.

The Deed has been filed in the office of the Auditor General.

Resignation of W. B. Washabaugh, Resident Physician.

Doctor W. B. Washabaugh, on January 20th, 1909, tendered his resignation as Resident Physician, and the same was duly accepted on January 27th, 1909.

Appointment of Resident Physician.

On January 27th, 1909, A. W. Shultz of Jonestown, Lebanon County, was appointed Resident Physician.

Exchange of Land with Pennsylvania Railroad Company.

An Act of Assembly approved April 27th, 1909, authorized an exchange of land between the Commonwealth and the Pennsylvania Railroad Company, and at meeting of the Board of Trustees held July 23d, 1909, the following action was had:—

"Philadelphia, June 17, 1909.

Erie, Penna., Proposed Exchange of Property by The Pennsylvania Railroad Co., and the Soldiers & Sailors Home at Erie, Pa., Erie Div. P. R. R.

General Louis Wagner, Treasurer, Penna. Soldiers and Sailors Home, Third National Bank, Philadelphia, Pa.

Dear Sir:—In connection with the proposed exchange, I enclose a form of preamble and resolution for adoption by the Board of Trustees of the Home for Disabled and Indigent Soldiers and Sailors of Pennsylvania. The resolution of the P. R. R. Board will be passed on or about the 18th instant, after which the conveyance to the Home will be executed and ready for delivery upon the receipt of the deed from the Home to the R. R. Co., the form of which I enclose you for your consideration and if it meet with your approval, request that the same be executed as soon as practicable.

Upon inspection of the land about to be conveyed to the Railroad Co., it is reported that the westerly line runs through about fifteen soldiers graves. Com. Sylvester H. Martin, being aware of this fact advised our representative that if the Railroad Co., ever require the use of this land up to the line referred to, the Home would move the bodies to another location, etc. As soon as this matter is adjusted, it is more than likely that the Railroad Co., will mark its line by the construction of a fence and I would suggest that these graves be moved, as soon as possible, thus avoiding in the future, any dispute as to the true location of the lines of the land conveyed to the Railroad Co.

Please advise me as soon as the deed to the Railroad Company has been executed.

Very truly yours,

(Signed) BENJ. W. CARSKADDON,
Real Estate Agent."

"ERIE, PA., June 23, 1909

Gen. Louis Wagner, Chairman.

DEAR SIR:—I have examined the proposed resolution and deed submitted by Benjamin W. Carskaddon, Real Estate agent of the Pennsylvania Railroad Company, which were enclosed in your letter to me of the 17th inst., and find them in proper form and within the provisions of the Act of Assembly of April 22, 1909, authorizing the exchange of lands with the Pennsylvania Railroad Company, and the conveyance by the Board of Trustees of the Pennsylvania Soldiers & Sailors Home, on behalf of the Commonwealth to the Pennsylvania Railroad Company.

I notice that the description of the land to be conveyed to the Railroad Company is not in the exact language of the description in the Act of Assembly; but it covers the land proposed to be conveyed, the variation in the description not being material. The description, in the resolution, of the land to be conveyed by the Railroad Company to the Commonwealth is correct. I return herewith the papers sent me in your letter of the 17th.

Yours respectfully,

(Signed) E. L. WHITTELSEY,
Solicitor."

APPOINTMENT OF CHAPLAIN.

Rev. John C. A. Borland, pastor of East Tenth Street M. E. Church of Erie, was appointed Chaplain—appointment to date from November 1st, 1907.

FUNDS RECEIVED FROM UNITED STATES GOVERNMENT.

The United States Government, through the Board of Managers of National Homes for Disabled Volunteer Soldiers, assists the States having Soldiers Homes by contributing an amount equal to one-half the per capita cost of maintenance provided said one-half shall not be in excess of one hundred dollars per capita of membership.

Prior to the year 1897, the money so received by the Governor was paid into the State Treasury and the State made the necessary appropriation from State funds to maintain the Home. Under this arrangement there was paid into the State Treasury various sums aggregating $288,403.52. In 1897 it was arranged that the appro-

priation made by the General Assembly should be reduced, and the amounts received by the Governor from the Managers National Homes for Disabled Volunteer Soldiers, should be paid to the Board of Trustees of the Pennsylvania Soldiers' and Sailors' Home, to be used for maintenance in addition to the reduced amount appropriated by the State. This arrangement continued until May 31st, 1909, when, owing to the uncertain periods of payment of the amounts due from the United States, and the possibility of action by Congress, either reducing the amount, or withholding it entirely, and this occurring between the sessions of the General Assembly of Pennsylvania, it was deemed safest to have the General Assembly of Pennsylvania appropriate from State funds the entire amount necessary for the maintenance of the Home, and the amounts received by the Governor, from the Managers of the National Homes for Disabled Volunteer Soldiers, be paid into the State Treasury. In accordance therewith, the appropriation for maintenance for the two years beginning June 1st, 1909, was made.

Acknowledgment to American Oncologic Hospital.

The Board of Trustees are under continued obligation to the management of the American Oncologic Hospital of Philadelphia, for the willing and kindly assistance rendered the Home, in the admission and treatment of members of the Home who have been afflicted with cancerous ailments, when admitted, or who may have developed such affliction after admission.

General Remarks.

The administration of the affairs of the Home continue to be satisfactory and successful. The rules of discipline required for the government of the Home have been very generally and willingly observed and complied with by the members. The Board of Trustees and the officers of the institution have steadily endeavored to care, in the most acceptable and comfortable way, for those who in their infirmity or adversity, avail themselves of the shelter and care which the State so willingly and liberally extends to the men who so fully deserve the consideration extended them.

Respectfully submitted,

Edwin S. Stuart,
President.

Thomas J. Stewart,
Secretary.

REPORT OF COMMANDER.

Erie, Pa., June 1st, 1910.

General Thomas J. Stewart, Secretary Board of Trustees:

Sir:—I have the honor to submit the following report of the operations of this Home for the two years from June 1st, 1908 to May 31st, 1910, together with the reports of the Adjutant-Quartermaster, Resident Physician and Chaplain.

The improvements reported as contemplated in the last report have been completed as follows:—

New boat to take the place of one destroyed by storm.

Fire escape and fire door in Infirmary.

New concrete floor in basement under northwest wing.

New pavement in kitchen yard.

Cement walk around the Block House and additional painting of the same.

Cement walks at Commander's residence and enclosed shed over kitchen steps.

Cleaning, pointing up, removal of soft brick on outer walls of all old buildings.

Taking down unused and dangerous brick stack on west wing.

Painting walls, ceilings and stairways on all corridors through the main building.

Removing and repairing old boat house on the Home grounds.

Extension of concrete culvert and raising of manhole in cemetery grounds.

Extension of iron fence along the Third Street front of the grounds.

Other improvements authorized and added since last report:—

Testing apparatus for testing eyes in Infirmary.

Enclosure of porch at Commander's residence.

Cement floor in Commissary department in basement under dining room.

Concrete sewer between boiler house, tracks and the Pennsylvania Railroad right of way on the Home grounds and covering the same.

Bachelet Magnetic Wave Generator in Infirmary.

Additional small rooms in Infirmary.

Improved shaking and chopping grates in boiler house, saving labor and fuel.

Filling low land in rear of Conservatory.

Infirmary.

W. B. Washabaugh, surgeon, resigned and Dr. A. W. Shultz of Lebanon having been elected to fill the vacancy took charge March 1st, 1909, and is managing the Infirmary with credit to all concerned, is kind to the patients and firm with employees when it is needed. His report treats of all improvements made since the last report.

Religious Services.

Services have been held in the Home Chapel each Sabbath at three o'clock P. M., except during July and August.

The ministers of the various churches in Erie, with their choirs give their services cheerfully. Prayer meetings were held Thursday evening of each week conducted by the Home Chaplain.

Rev. E. Wolf Dewitt, Chaplain, died December 5th, 1908.

With the approval of the vice-president the services of Rev. W. L. Hazen were secured temporarily, which services were continued by direction of the Board of Trustees until November 1st, 1909, when he was succeeded by the present chaplain, Rev. John C. A. Borland, of the Tenth Street Methodist Church, Erie, who is sincere in his efforts among the men.

Memorial Day.

Memorial Day has been fittingly observed each year, the Chapel being appropriately decorated, and the exercises in Chapel and Cemetery interesting, impressive and instructing. On May 30th, 1909, the oration was delivered by Captain Charles H. Coxe, a member of the Home. May 30th, 1910, Rev. J. S. Cleveland, of Erie, was the orator. On both occasions seventy little girls dressed in white marched with the column to the cemetery, received flowers from the men in rank and deposited a bouquet upon each grave.

Amusements.

A course of four entertainments were given by the Brockway Lyceum Bureau of Pittsburgh, Pa., and one by Miss E. K. Norris of Philadelphia, as authorized by the trustees, and a number of other amusements were given by different parties, giving their services without cost.

Discipline.

The discipline of the Home is good. The members are generally contented. The cause of trouble is reduced to a small minimum.

Library.

There are between four and five thousand volumes of books in the library. Magazines and periodicals are frequently donated by citizens of Erie.

Conclusion.

The officers associated with me in the management of the Home have rendered efficient service, and manifest an interest in all that pertains to the best interest of all concerned. My thanks are due to the Board of Trustees for generous treatment.

Very respectfully,

(Signed) Sylvester H. Martin,
Commander.

REPORT OF QUARTERMASTER.

Erie, Pa., June 1st, 1910.

Captain Sylvester H. Martin, Commander:

Sir:—I have the honor to submit the following report of this department for the two years ending May 31st, 1910. The tables which follow, show the average cost of principal articles of food and clothing, per capita cost of maintenance, clothing furnished to each member on entering the Home, report of commissary stores and clothing purchased, issued, and remaining on hand, products of the Home farm with value of same and expenditures incurred, &c.

The same care has been used to have the table supplied with good, wholesome food, selected from samples submitted by different bidders. Inspection is made on delivery, and all goods bought, must be up to the standard adopted. It is our aim to supply liberal quantities of fresh fruits and vegetables in season. Comrades coming from other Homes comment favorably on the food supplied here, both as to quality and quantity. We still continue the repairing of partly worn clothing and shoes, which are re-issued. The sanitary condition of all bed rooms and quarters have been carefully attended to. We continue to manufacture all the soap that is used in the Home, with satisfactory results. The farm has given fair results for the past two years. We had a large supply of tomatoes, which were served liberally on the table raw, besides canning a large quantity for Winter use, also a quantity of Home-made catsup.

Our cows have supplied a large quantity of fresh milk for the Home and Infirmary, which is greatly appreciated.

Tobacco, letter paper, envelopes, stamps, pens and ink are issued free. Continued effort has been made to make the Home as pleasant and comfortable to the members as possible.

REPORT OF RESIDENT PHYSICIAN.

Erie, Pa., June 1st, 1910.

Captain Sylvester H. Martin, Commander:

Dear Sir:—Herewith, I submit the report of the Hospital Department of the Home, dating from June 1st, 1908, to May 31st, 1910.

Improvements.

Under the new plan of the Hospital revision the number of civilian help was 22, but it was found necessary to add another to the Kitchen Department, thus making the number of civilian employees in the Hospital 23.

For the better protection against fire, an iron constructed fire escape was erected, leading from the third floor to the ground with exits on each floor. Automatic fire proof doors were placed wherever necessary; fire axes in special constructed retainers were placed on each floor of the Hospital and basement. The orderlies are instructed in fire drills which are had at various times.

To overcome the many ocular troubles arising in the Home, the Board of Trustees, has made arrangements with The Wills Eye Hospital of Philadelphia to take care of all operative cases, and had the Hospital equipped with the proper and necessary means for refracting the eyes and the fitting of suitable glasses. Up to the present time 128 cases have been refracted and two sent to The Wills Eye Hospital for treatment, thus adding greatly to the comforts of the men in the Home.

On account of the constant increasing number of patients that have to be confined for their safety, as well as for the safety of others, more private rooms were needed. The remaining south side of the Second Ward was converted into four private rooms making 12 in all. These rooms are constructed with Grill work, allowing plenty of light and ventilation; the doors and windows are properly screened with iron guards.

The operating room, laboratory and each of the wards have been wired and are connected with The Erie Electric Company. The Bachelet Therapeutic Company acting Magnetic Wave Generator has also been installed into the Hospital. The patients requiring electrical therapy are receiving very gratifying results with these means of electrical therapy.

To accommodate the patients who are unable to walk, more rolling chairs were necessary. Ten more chairs were asked for, eight for the patients in the Hospital and two for street purposes. This was approved by the Board of Trustees and will be on hand in a short time.

General Remarks.

I was elected Resident Physician January 27th, 1909, and assumed office March 1st, 1909. Found the Hospital, in all its departments, in first class condition with Dr. John K. DeTuerk, Assistant Resident Physician, who still remains and is giving very valuable service. Miss Elizabeth Robinson and Mrs. Jane Mabie as day nurses and Mr. Frank Bevin as night nurse with Miss Daisy Henry as matron.

The employees of the Hospital, 23 in number, are giving very efficient and satisfactory service, working in harmony and doing all they can for the comforts of the patients.

The Hospital is in a very good sanitary condition. The floors are well cared for with antiseptic floor preparations. The walls have been repaired wherever it was necessary.

There are two men detailed to take the men, that cannot walk, out on wheel chairs whenever the weather is permissible. The patients appreciate this very much. A well lighted and ventilated room is set aside for the treatment of Tubercular patients. Also a special room for the treatment of Pneumonia cases, thus giving the Tubercular and Pneumonia patients the best chances for improvement and recovery. Cancer cases arising in the Home and Hospital are sent to The Oncologic Hospital at Philadelphia where they receive the special treatment which these cases require.

The operating room and fixtures have been repainted and enameled. The much needed instruments have been added to the instrument cabinet. The drug room is well equipped and provided with the best drugs.

REPORT OF THE CHAPLAIN.

Erie, Pa., June 1st, 1910.

Captain Sylvester H. Martin, Commander of the Pennsylvania Soldiers' and Sailors' Home:

Dear Sir:—It has been a pleasant duty to me to do the work of the Chaplain of the Home during the last seven months. Since my appointment, beginning November 1st, 1909, I have endeavored to do the work assigned me in as thorough and effective manner as possible. Preaching services were held in the Chapel each Sabbath afternoon at three o'clock, and prayer meeting each Thursday evening at 6.30 o'clock. The various pastors of the city, with their choirs have been very kind in aiding in the Sunday meetings, when they have been unable to be present I have done the work myself, preaching five times in the seven months. I have taken charge of the prayer services on Thursday evenings, excepting two evenings when I sent other leaders; and have officiated at the funerals held at the Home. It has been a pleasure to me to visit the men in the Hospital at least once a week, counseling with, reading to, and praying with them. They have seemingly appreciated this very much and we believe that some of them have been made better by it. We have also endeavored to meet as many of the men as possible in their rooms, that we might become acquainted with them and be thus able to wield a greater influence for good over them.

We commend the unsectarian spirit manifested among the men and officers of the Home; and while we have not been able to accomplish all that we have desired, yet we are grateful that it has pleased God to use us in a measure, and we feel that as we become better acquainted with the men we shall be able to do a greater work.

Yours in the Master's Service,

(Signed) John C. A. Borland,
Chaplain.
